The following positions are to be filled and we would like to see at least two candidates contesting each position.

President  
Vice-President  
Secretary-Treasurer  
Editor  
Board of Governors (5 to be elected)

Remember that you must have paid your 1977 dues to receive a ballot.

TREASURER'S REPORT: Enclosed with this issue of Timber Talk is the 1976 Financial Report of the CAWMC. I believe all expenses, except printing the December 1976 edition of Timber Talk were accounted for. Of course the bulk of our dues were paid after January 1, 1977. It shows that our club is in sound financial condition, even with the higher costs of postage. Many members have contributed material, trophies, etc. to the CAWMC and this has helped a great deal. Also, I would like to thank all those who donated wood to be given out, without cost, to members which have been included with different issues of Timber Talk.

WOOD: As promised last month Norm Wells has enclosed his new issue of wood to distribute to members of the CAWMC. As we have received a number of new members in the last few weeks there may not be enough wood to send each member this month. If this does happen, we will record the names of those not receiving wood and send them one next month. Thanks for your understanding.

CNA MEMBERS: The Canadian Association of Wooden Money Collectors is Member Number 12671 of the Canadian Numismatic Association. Norm Williams is scheduling a meeting time and location for the CAWMC during the CNA in Vancouver August 3 - 7, 1977.

EXHIBITING: Your editor displayed two series of Montana "Flats" at the Coin and Stamp Exhibition held March 4-5-6, 1977 in Calgary. I was fortunate in meeting the new editor of Canadian Coin News and chatting with him for a few moments. What a busy fellow! We also met his charming wife Fran. Welcome to Numismatics in general and wooden money collecting in particular Scott (McLaren).

BOOK OF CANADIAN WOOD: There has been discussion for some time now on the possibility of a book on Canadian wood, complete with pictures and details of issue. It is closer to reality each day. Many wood enthusiasts will be meeting at TOREX in Toronto in April<sup>16</sup> and will be pursuing the concept further. (See next page.) Those with ideas and not able to attend please contact John Curtis or Norm Wells. Unfortunately I cannot attend Torrex, but perhaps I may make it to a future show.
